Vision

Kaunas Vaisvydava basic school is a modern and attractive educational institution for a young generation, showing adequate reaction to dynamic changes in the society, seeking that every student would acquire and develop modern competences according to their abilities and interests, at the same time maintaining Lithuanian identity and cherishing the values of European culture.

Mission

To provide 7-16year –old youngsters with high quality basic education, ensuring success and good results in it. To develop a mature and well-educated personality, seeking further education at gymnasiums and vocational schools in Lithuania. To direct the programme of formal and non-formal education towards the development of a tolerant personality.

Faculty

There are 30 teachers: 1 - expert, 7-methodologists, 18- senior teachers, and 5- teachers.

Calendar

School year : from September 1 to June 20. The school year consists of two semesters.

Curriculum

The school offers a rigorous programme, based on national syllabus, which aims at a well-rounded and comprehensive preparation of students for the further studies at gymnasiums and vocational schools.

History:

- 1923 Vaisvydava primary school was opened in Vaisvydava village.
- 1952 The school was reorganized into a seven-year school with 95 pupils studying in 1955/56.
- 1962 The school became eight- year school.
- 1990 After the restoration of Lithuania's independence, Vaisvydava's eight-year school was reorganized into Vaisvydava secondary school
- 1997 When the village of Vaisvydava was connected to the city of Kaunas, the status of the school was changed to the Vaisvydava secondary school of Kaunas city.
- 2008 The school was reorganized into Kaunas city Vaisvydava basic school
- 2016 The kindergarten functions at school.
- 2018 The All- Day School was opened.

Kaunas Vaisvydava Basic School has its own flag, emblem.
